PROFESSIONAL SUMMARY

Financial coaching professional with 1.7+ years coordinating multi-stakeholder youth and community programs, delivering one-on-one money management counseling, and managing outreach partnerships end-to-end. Built a financial coaching program from concept through delivery, including workshops on banking, credit, budgeting, taxes, and investments. Strong track record of process documentation, cross-department communication, and reliable execution. Currently developing SQL and Python skills to bring data-driven reporting into program work.

WORK EXPERIENCE

Program Coordinator | Dream Youth Clinic

Oct 2025– Present

- Designed "Financial Freedom," a financial literacy and coaching program for transitional-aged youth, including workshops, 1-on-1 coaching, and a digital learning platform.
- Provide one-on-one money management coaching to transitional-aged youth, building personalized action plans.
- Coordinate youth programming for ages 13–25 across reproductive justice, wellness, and education, managing multiple concurrent tracks.
- Onboard and supervise youth interns, building workflows and tracking engagement and outcomes.
- Lead outreach and partnership engagement, organizing events and workshops.

Financial Coach Fellow | My Path Wealth RYTS Fellowship

Feb – September 2026

- Completed an 8 month fellowship training nonprofit professionals in financial coaching for youth; earned a Money Management proficiency badge.
- Implemented financial-coaching frameworks into the Financial Freedom program design.

After School Math Instructor | Sylvan Learning

Oct 2024 – Apr 2025

- Applied analytical methods to assess student performance and customize learning plans.
- Adapted lesson delivery based on performance data to support student improvement.
- Documented and communicated student progress to families and staff.
